Save Your Pennies For The Delicacies at the Carnival

What’s a carnival without food and fun? And one would not be complete without the delicious treats that are available. The main courses of vegetables will be sold, and there will be a variety of desserts ranging from cakes to pies. The carnival will also feature a variety of drinks, including lemonade and soda. The food will be available at a reasonable price, so be sure to save some of your money for the carnival.

Home Economics To Be Offered in September

Home economics is a new industrial art course, which will be offered next fall. The course will focus on teaching students the skills necessary to maintain a household. The course will cover topics such as cooking, cleaning, and sewing. The course will be taught by a qualified instructor, and students will have the opportunity to learn from real-life situations.

Rocco, Goellner S. C. Candidates

Along with the excitement over the elections of Carnival and Track Queen, comes the heated battle to determine who will preside over the Student Council next semester. The candidates are Joe Rocco for president and Dick Schnell for vice president. Join manager Mike McHenry and Allen Goellner for president and Fred Kolh for vice president.

Buy to qualify for office as Student Council president of these attending James Ford Rhodes for one year, and then they must be senior in good standing. The candidates’ ideas are novel and dynamic but are being withheld from publication for fear of other candidates will gain their trade secrets.

Carnival Midway Sparkles With Booths and Contests

"Toss Your Cares Away and Welcome Universal Tennis"! "Waving Flags in a Price!" These are just a few of the many bright and entertaining events that will hit your eyes on the nights of the big carnival, Thursday, May 20, and Friday, May 21.

Booths of all kinds and varying colors will have the boys gawking and oohing over the wares of the busiest, brightest, and best booths in every corner. Under the direction of Mr. Berber, the Rhodes booths will be ready to sell to the throngs of hungry customers. Various booths will sell candy, popcorn, and other treats. The booths will be decorated with colorful flags and streamers, creating a festive atmosphere.

On the sidelines will be booths featuring games, such as "Miss Trillion and the German Club," a "Risque Booth" (sunny lenses), sponsored by the Senior Tiers, "Your Chips," a "Mr. and Mrs. of Homeroom 109," a "Peggy Toss," a "Basketball Toss," and many others. Each booth will have its own unique charm, with prizes ranging from chocolate bars to stuffed animals. Prizes will be awarded to the winners of the games.

Rocco and Goellner are the candidates for student council president and vice president, respectively. They promise to bring new and exciting ideas to the campus, as well as to work hard to make the carnival a success.

Reporter Finds Broken Chairs Have Strange Personality Quirks

By JACK GOELLNER

Pull up a chair and sit down, and if you happen to be at one of the booths, you can tell the customer who is sitting in the chair of the carnival. This is because the chairs are made of wood and have a strange personality.

For the first time in the carnival history, the chairs have been given personalities. The chairs are given names and are assigned characters. The chairs are also known for their strange personalities. Some chairs are known for their loud and boisterous behavior, while others are known for their quiet and reserved behavior.

The chairs are made of wood and are hand-carved by local artists. Each chair is unique, and the personality traits are created by the artist who creates the chair.

In addition to the chairs, the carnival features a variety of other activities, such as games, food, and entertainment. The carnival is a fun place to visit, and it is a great way to spend a day with friends and family.
Hear Pop Concert

The phenomenon known as “Friends of the Rhodes Band and Orchestra.” Their purpose is to gain support for these two musical groups. After the initial enthusiasm was over, membership decreased, and the music program has been affected. This has reduced the overall quality of the school's music department.

Mary Witt and Rosemary Jackson are taking charge of sending some of the school's supplies to a needy school in Germany. This is the German club's project of the month.

The Junior Y Teen Club is planning to hold a dance for some time soon after the Carnival. It will be held after school in an outside location. Everyone is invited to attend.

New officers elected by the B.T.A. on Thursday, April 10 are Mrs. C. K. R. of Parkview, first vice president; Neil Mathews, second vice president; Mrs. R. Reiner, secretary-treasurer; and Mrs. H. R. of Parkview, third vice president.

The annual Writer's Workshop is to be distributed by students to teachers of English on Thursday of this week.

Mabey and Vavrock Take Seconds In Pole Vault and Discus
To Qualify for State Meet; Theiling, Grabnegger Set Marks

By Ken Staffed

May 16: Rhodes Track: With near-perfect weather and track conditions, one record fell and another was tied, as two local thilladics qualified for the State meet this Saturday. Bill Vavrock and Steve Mahoney’s seconds in the pole vault and discus enabled them to porówn themselves to their regionals in their respective events.

Jim Theiling, West’s hurdle ace, broke the 220-yard low hurdle mark held jointly by Wilkes of Central and himself, Jim breezed over the low hurdles in 24.2 to break the record by 0.3 of a second.

This week’s meet opened the meet by winning the first of his double victory in the 120-yard high hurdles. Herman’s Detino, who is a three-year-old and fifth for the blue and white. Theiling’s time was 15.1.

Meehan Transferee from Tech, Boosts Thilladics

In September a dark-haired six foot one-inch senior entered Rhodes from East Technical High School, and within six months helped the Rams to write a new shuttle hurdle record in the books at the Urochita Invitational meet.

Tom Meehan, who ran a 14.5 second anchor lap in the hurdle race, cut a large niche in Ram activities when he showed up here. At East Tech, Tom was a member of the basketball team and track team in addition to being in the high school society. With his transfer here Tom was taken into the Honor Society and now holds the offer for president on the track team. Tom participated in the high jump in which he has jumped twelve feet, and the low jump in which he has jumped twenty feet, and the high and low hurdles.

Tom states: “The competition at East Tech is a little stiffer than at Rhodes because of the success male population,” but for Rhodes “because the students are a lot more cheerful.

In addition to track, Tom has spent much of his time on the baseball diamond. He was a member of the East Tech nine and has spent his summers for the last four years playing for the nine.”

Tom’s most outstanding characteristic is his cheerful personality which has enabled him to be perfectly at home in a new school, and to make friends easily. As for football, Tom claims eating and sports to be his favorite activities.

Following graduation Tom intends to attend Penn College and would like to major in engineering.

Mike Talks

By MIKE KRAYNACK

In last Saturday’s District Track and Field Meet on our truck an impressive ceremony was held to honor James A. Lee, secretary of the Northeast Ohio A.A.U., and official of the Cleveland Athletic Club. Mr. Lee has been a well-known sports personality in this area for the last several decades.

Mr. Howard, an A.A.U. official, presented Lee with an official Olympic flag in a ceremony held at the gymnasium in London this summer. Lee’s appearance at the London Olympics will mark the sixth time he has witnessed the games.

Helen Brennenk, Rhodes’ 1946 track queen, presented him with a flag from a tree which Jesse Owens won at the 1935 Olympics. The tree was planted on our school grounds by the track and gym annex.

All of the students who had ever participated in this event were invited to be present at the meet. Among these notables were such outstanding stars as Jesse Owens, Stella Welch, Dave Allbright, and Jack Flannen. However, official of the meet were disappointed because only one man of a long list was able to attend. He is Edward A. Heinig, who won the Indian Gymnastic title in 1906. Mr. Heinig is 80 years old and still competing actively. He hopes to again represent the United States in this year’s Olympics.

Golfers Drop Two Straight Matches

Making its 1948 debut the Rhodes Links squad dropped a 21-11 decision at the Ridgewood Country Club on Tuesday, May 11.

Lee Merrick, who was at the first match against Cornell, was shot at 85. However, none of his matches fell to score any points for his team. Joe Hume, with a 105, scored seven points while Terry Menzel, with a 117, scored four points.

In the second match, Merrick played out of the 95 yard drive and scored five points. While Rico, with a 110, scored the pull vault. In the high jump Merrick and Teckny tied for first place.

Yeeaves and Frosh Whip Rocky River Cidermenen

May 6, Rocky River track:

Finishing in first in seven events, the local reserve and freshmen squads combined to score a 78-36 triumph over the Cidermenen.

Jim Boswell finished in first in the low hurdles race and was second overall in the low hurdles race. So the freshmen low hurdles Mehan, Newman, and Guzik swept the first three places.

Onich and Chisholm finished first and second in the 100-yard dash for freshmen.

Art Leisun and Ralph Scklen broke the tape in a dead heat in the mile run and Felix, Karrus, Lepp, and Witwalcwe won the 880-yard relay.

Following the event, the coach of the reserve, Charles, Muncin, White, and Onich pooled their times to triumph in the freshmen sprint relay.

Grosser brought home the bacon in the frosh 440-yard run and Mirkin followed his example in the reserve division on this race.

The freshmen had another clean sweep in the 220-yard dash with Chisholm, White, and Muncin finishing in first, second, and third.

In the final event, the mile relay, Onich, Boswell, Grosser, Muncin teamed to take first for the Rams.

In the field events White and Chisholm took first and second in the shot put. While Rico won the pole vault. In the high jump Newman and Teckny tied for first place.

This picture of the shuttle hurdles was taken at Uhuricpha where the Rams set a new record. Left to right are Frank Domichek, Dick Velotta, Tom Meehan, and Harry Herrmann.

Shuttle Hurdles Score at W. Tech

April 30, West Tech Track: East Tech edged out the host team and Central, 31-28, in the second meet of the West Tech Relay today. West Tech captured four places to two for Tech East and Central.

West Tech opened the meet by triumphing in the four mile relay. Jim Sundley, Don Smith, John Prosser, and George Gross combined for a 19:30 effort. The Warriers also had wins in the 880-yard relay, the mile relay, and the shot put.

Central’s two victories came in the 440-yard relay and the high jump. Dave Handerlly, Ronald Tary, and Jim Arris combined their best laps to mark up a new standard of 17 inches. The new record breaks the former mark of 37 feet 3 inches set by West in 1946.

East Tech took home two trophies besides the team trophy, one for the shuttle hurdle relay and the other for the broad jump. Rhodes’ only points came in the shuttle hurdle event when the Blue and White team of Domichek, Meehan, Herrmann, and Velotta placed third behind the meet winners.

Rhodeo Ten F.T.A. Members Take Over Classes for a Day

Perhaps, upon entering one of your classrooms last Thursday, you found one of your classmates presiding at the teacher's desk. The “teacher for a day” efficiently conducted the class, went through the day's assignments, and gave out the next day's work. He or she is a member of the Rhodes chapter of the Future Teachers of America. Thursday, May 13, was Student Day. The ten student-teachers participating in Student Day, which it is promised will become an annual initiation, are: Dorothy Theodore, 12-A; Norma Vlassak, 11-3; Eugenia Gerk, 10-A; Rhoda Hamilton, 12-A; Barbara Beckman, 11-A; Mary Novack, 11-A; Ann Darnell, 12-A; Pat Matte, 9-A; Mildred Schiller, 11-8, and a lone male, Tom Bachner, 12-A.

Mr. Baker began as advisor of Rhodes Division of P. T. A. when it was first organized in 1929. He is one of Cleveland's first chapters of the State Federation organization. Since 1946, a Rhodes student has been chosen to participate in the annual national meetings. In 1946, 1949, 1950, and 1951, Rhodes students represented the federation. Last year, a Rhodes student was elected to the national executive board. This year, a Rhodes student will represent the federation in Washington, D.C.

Band Cops First In City-Wide Contest

The Rhodes Senior Band, in competition with twenty other high school bands at John Hay High School Saturday, May 4, took first rating in the 1946 Greater Cleveland Senior Band Competition Festival. Under the direction of Mr. Schmidt, the Rhodes band received, along with seven other high school bands, a first rating; five schools received second ratings; and eight schools received third rating. The ratings were: 1, superior; 2, excellent; and 3, very good.

Park Plan Dancing In Gym at Carnival

Mr. Jackson and the stepcraf group are taking care of the raising of all booleans, but the clubs and homesitters have to do their own decorating.

In the girls' gym, park plan dancing will be featured. The fee will be one ticket per dance, with dancing going on practically all of the time. Playing for the dances will be Dick Martins and his band.
